

GIVING YOU BACK PRIMETIME BEGINNING JULY 1, 2017

JOSEPH SINNOTT

As a WLIW21 member, you play an essential role in our ongoing success. Your donations make up more than half of the funding we need to produce and present the quality PBS and WLIW21 programming you have come to love both on-air and online. Just 15 percent of our support comes from government sources.

Thank you for being a part of the vast network of supporters who make our work possible and who help us make a lasting impact on our New York-area communities. We couldn't do it without you.

Over the years, PBS Pledge programming has become a vital way for us to raise operating funds and to connect to a variety of viewers with wide-ranging interests. In fact, you may have first supported us through one of our fundraising programs. And while you may understand that this programming is necessary, you've told us that you'd like us to interrupt your favorite programs less often and for shorter periods.

We heard you. And we've come up with a new and different way to continue fundraising while maintaining the same programming you love. You will see the first of these changes this month as we begin airing fundraising programs Saturdays 9am-1pm and Sundays 3-6pm and 7:30pm-5am. This new schedule kicks off with an encore of *Great Performances: Hamilton's America* airing on Sunday, July 2 at 9pm!

In exchange for these Pledge programming blocks, we will no longer air the weeks-long PBS Pledge breaks later in the year. During that time, we will air more of the local and national programming you love, including British dramas and comedies. This is bold experiment has been successfully implemented on our sister station THIRTEEN, and we believe this is the kind of innovation and experimentation you expect from us.

All we ask is that you tune in and continue to support us. To successfully shorten our Pledge periods, we must continue to maintain the strong support from members and viewers like you.

Thank you and we hope you enjoy the new WLIW21 program schedule.

WILD ALASKA LIVE

Every year in late July, a must-see natural spectacle plays out across the vast Alaskan wilderness as some of the world's most remarkable animals – including bears, wolves, moose, orcas and eagles – gather by the thousands to take part in Alaska's summer feast. What happens during this pivotal gathering affects the animals' survival and well-being for the remainder of the year.

Cameras will capture this extraordinary event LIVE on television for the first time, as Emmy Award-winning zoologists, adventurers, and brothers **Chris Kratt** and **Martin Kratt** host. Local experts will explore the relationship between Alaska's First Peoples and the animals that co-exist with them, while scientists, filmmakers, and others discuss the challenges of preserving America's last frontier.

Indecent is a story about the love and passion to create theater, even in the most difficult of times. The play follows a troupe of actors who risked their lives and careers to perform a work at a time when art, freedom, and truth were on trial. Told with compassion, honesty, theatricality, joyous songs and dances, "It's an exhilarating ride you'll never forget!" – *Deadline*. Best of the Year: *New York Times, TONY, Newsday, The Advocate, Theatermania, App.com.*

With an additional donation, enjoy a pair of tickets on **JULY 23** or **JULY 25** at **THE CORT THEATRE**, plus a post-show talk with the cast. For a list of upcoming WLIW21 events, visit wliw.org/ticketbooth or call 800.767.2121.
